

Mrs. Barnthson's

2nd Grade Update

This Week in Science and Social Studies:

- Students continued learning about what makes a community, and how they change over time.
- We put all the planets in order.
- We learned about the Sun and the Earth and how it orbits the sun
- Next week we will learn about more individual planets

This Week in Literacy:

- We finished our review unit in Superkids and had our first spelling test.
- Wrote an informational paragraph.
- Began reading groups
- **Next Week:** We will begin Saxon Phonics.
- Writing a friendly letter
- Begin Superkids Magazine

This Week in Christian Learning:

- We learned about Jacob, Esau and the blessing and how Jacob had the dream about the ladder to heaven
- **Next week:** Joseph and Moses

Reminders:

- Back to School night on Thursday the 5th
- Library is on Wednesday

This Week In Math:

- Practiced creating fact families
- Measuring length and width in inches
- Practiced the concept of subtraction
- **Next week:** Creating bar graphs and pictographs
- Using flats, sticks, and cubes for learning place value
- Adding 3 numbers
