

# Kindergarten Scoop

8-30-2019

Dear Parents,

This week has been a fun week because we have been learning and working with colors. The kids have been practicing writing them, finding them around the room, sorting them, graphing them and on Friday we had our color party! The kids had a lot of fun with rainbow playdough, cookie dough and tie dye. We started writing the number 10, working on positioning words such as first, middle, last, first, second and third.

Memory Due **FRIDAY 9/6**: Christ Jesus came into the world to save sinners. 1 Timothy 1:15

## BIBLE

Next week we will learn about God closing the Garden.

## READING

We finished our "C" superkids book and will start next week on "O" for Oswald.

## WRITING

We will continue to work on writing our names, numbers 0-10 and the letters "c," "o," "l" and "g" while using the correct lines.

## PHONICS

We will continue practicing the phonic rule, "A vowel followed by a consonant is short, code it with a breve." They will also start blending 2-3 letter words together.

## MATH

We will work with shapes on angles and sides and continue working hard on our math board every day.

## SCIENCE/S.S
