

Guppies Class Newsletter

August

Parents,

We are looking forward to having your children in our class this year! Thank you for allowing us the opportunity to be with your children.

This month, we will begin our 'Beginning the Year' theme. This month we talk about what we do at school, what names we need to know at school, and what we should do if we get sad or scared at school.

We would love to see you all at the Meet and Greet on Monday August 12th from 4:30 to 5:30 pm. We begin school on Wednesday August 14th. Please also remember that this is an early dismissal day. Early dismissal is at 11:30 am.

Each month, you will receive this newsletter from me. Please also read the welcome letter and fill out the Guppies Class Information Sheet. It will help us get to know your families and your children.

We are excited for an amazing month with your children!

Sincerely,

Ms. Madison and Ms. Angele

Children of God, Arise and Build-Nehemiah 2:20

Important Dates:

August 12th – Meet the Teacher @ 4:30-5:30 pm

August 14th – First Day of School – Early Dismissal @ 11:30 am

How to make the first month a smooth transition for your child?

- Consistent bedtime and wake-up times
- Nutritious breakfast
- Be on time for drop off between 8:15 and 8:30
- “Drop and Go” Staying too long at drop-off can be more difficult for your child. Say a quick and loving goodbye and we will do the rest.
- Talk positively about school and making new friends.
