Dear Parents,

I am so incredible proud of these sweet kids! They have worked so hard ALL day every day this week. They are an amazing group, I'm so excited about them. We had a busy week with learning to correctly write numbers 0-9, letters "o" and "l" and "c." Our theme this week was "All about me," so we explored things that we enjoy and what makes each of us special. Next week our theme is colors, so we have lots of fun activities.

We will have weekly bible verses due on Fridays starting after Labor Day.

BIBLE

Next week we will learn about creation and how God people.

READING

We continue with our Superkids book "Cass" and learn all about the letter "c."

WRITING

We will work on writing our names, numbers 0-9 and the letters "c," "o" and "l" while using the correct lines.

PHONICS

We learned the "l" and "o" sounds and next week we will work more with beginning sounds, rhyming and matching capital and lowercase letters.

MATH

Next week we continue reviewing numbers 0-9 and continue working hard on our math board every day.
