

Third Grade Learning Adventures

August 23, 2019
Number 2

Welcome to Learning Adventureland!

We had another great week of learning!

We've had a good start to our math lessons. We will start working on multiplication concepts. Also, please review the addition facts with your students. We need the addition facts to become automatic in third grade. We are concentrating on the facts with +2 and +3 for next week. We found an online source to play math games: Splash Math. There will be homework for math next week. Students will also have Spelling word practice, reading and a memory verse. Thanks!

Have a wonderful weekend!

Peace and Joy in Christ,
Ms. Heck

Calendar of Events

September 2 Labor Day, No school
September 5: Back to School Night
September 27 Early Release 1pm
