

# Ms. Julie's Bookworm Classroom - September 2019

- We have been busy in the Bookworm Classroom getting to know our classroom, getting to know our friends and getting to know about Jesus.
- We will be focusing on specific letters of the alphabet next. Your child may bring a "Show and Tell" item that begins with the letter we are focusing on. Please check the board for the letter we are working on.
- Please be aware that we will be having practice drills at school for fire and lockdown (stranger aware drill). Talk with your kids to let them know that we do these drills to keep them safe, to keep our friends safe and to keep our teachers safe.
- Library is held Mondays and Thursdays. If your child checks out a book on one of these days, please return the book the following Monday or Thursday in order for them to check out another book. Please return the books in the book crate.
- Wednesday is Chapel. Our Preschoolers have "chapel buddies", which are older students from the day school. Their buddy hangs out with them in Chapel and throughout the school year in many different activities. We also have offering on Wednesday so please send an offering with your child.
- Thank you for taking your child to the bathroom and have them wash their hands before entering the classroom. This will aid in keeping germs at bay.

Please feel free to contact me if you have any questions or concerns.
