The goal is for this to actually float down a stream. We will be taking a quick field trip on September 17<sup>th</sup> to test them out at a nearby stream. These projects will be due **MONDAY, September 16<sup>th</sup>**. There will be a prize for the best boat.

Please send in water shoes or old tennis shoes that can get wet and muddy for the field trip on the 17<sup>th</sup>.

- If you need to take Safeguarding please go to the school website. There is a link under "enrolled students".

- Classroom wish list - please send in your recyclables (cans, jars, paper towel rolls ect.)

-We are in desperate need of glue sticks already. If you could send some in that would be awesome!!
